Present plans call for Little League play for boys from 9 to 12 years of age. Officials expressed the hope that by next year a pony league for older boys will be set up. Meanwhile, the organization is soliciting help from local business people and citizens to aid in underwriting the cost of the program. Moir has indicated that he expects the league to be largely self supporting within a year or so.

Mayor Mervin Schwab this week issued a proclamation declaring that Saturday, March 28, will be observed in this city as Little League Baseball Day.

### Slate Test of De-Controlled Wages Here

The effect of the removal of wage controls by the government may be tested locally in negotiations between Teamsters Local 692 and members of the Harbor Area Employers' Council operating under the retail furniture store contract with that local, according to Frank S. Selover, executive secretary of the Employers' Council.

A meeting of industry members will be held in the office of the Council in Torrance on Monday, March 30, 1953, at 2:30 p.m. While the union is said to be demanding "more money," it was pointed out that the cost of living increase from May of last year to the present time does not warrant any appreciable increase. The contract with the Teamsters Union expires May 1, Selover said.
